# Welcome to My Portfolio

Hello! I'm Maede.

I'm dedicated to bringing your brand vision to life. Let's embark on a collaborative journey, exploring the essence of your brand together. Through open communication and creative exploration, we'll craft a strategic roadmap to realize your vision and create meaningful connections with your audience. Let's turn your brand dreams into reality, step by step.

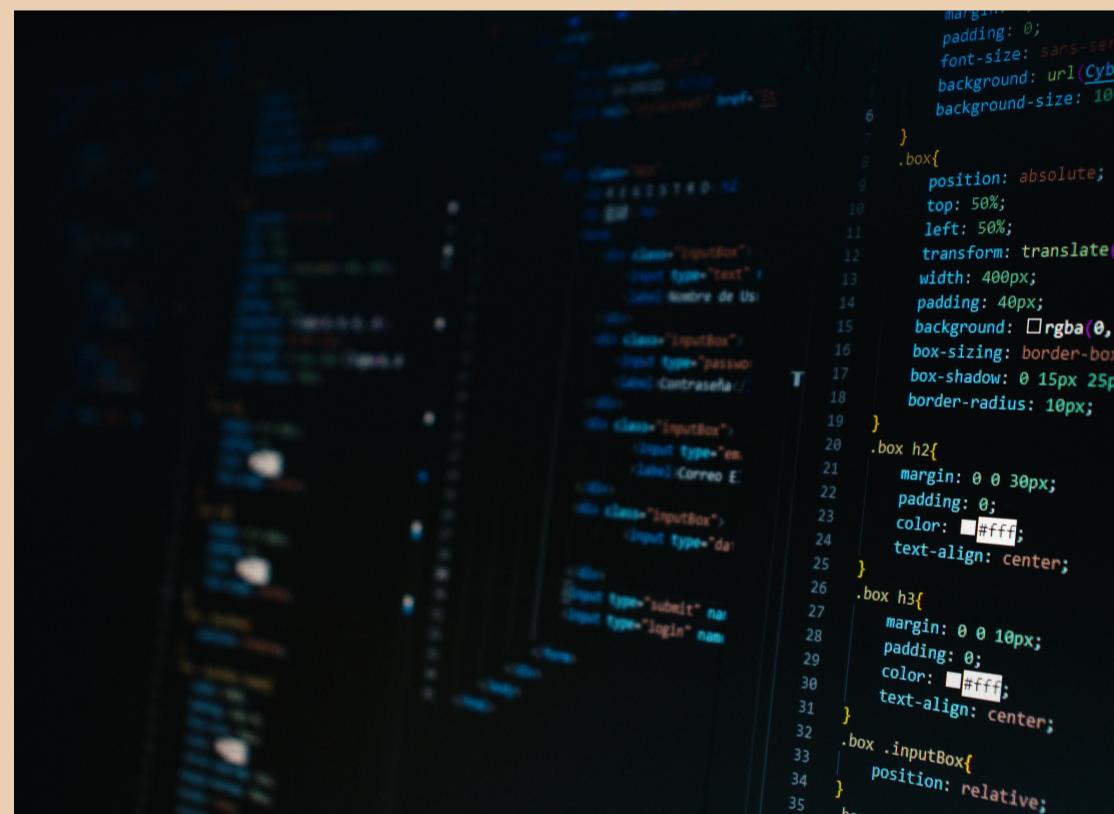

[About me](#)

## Services

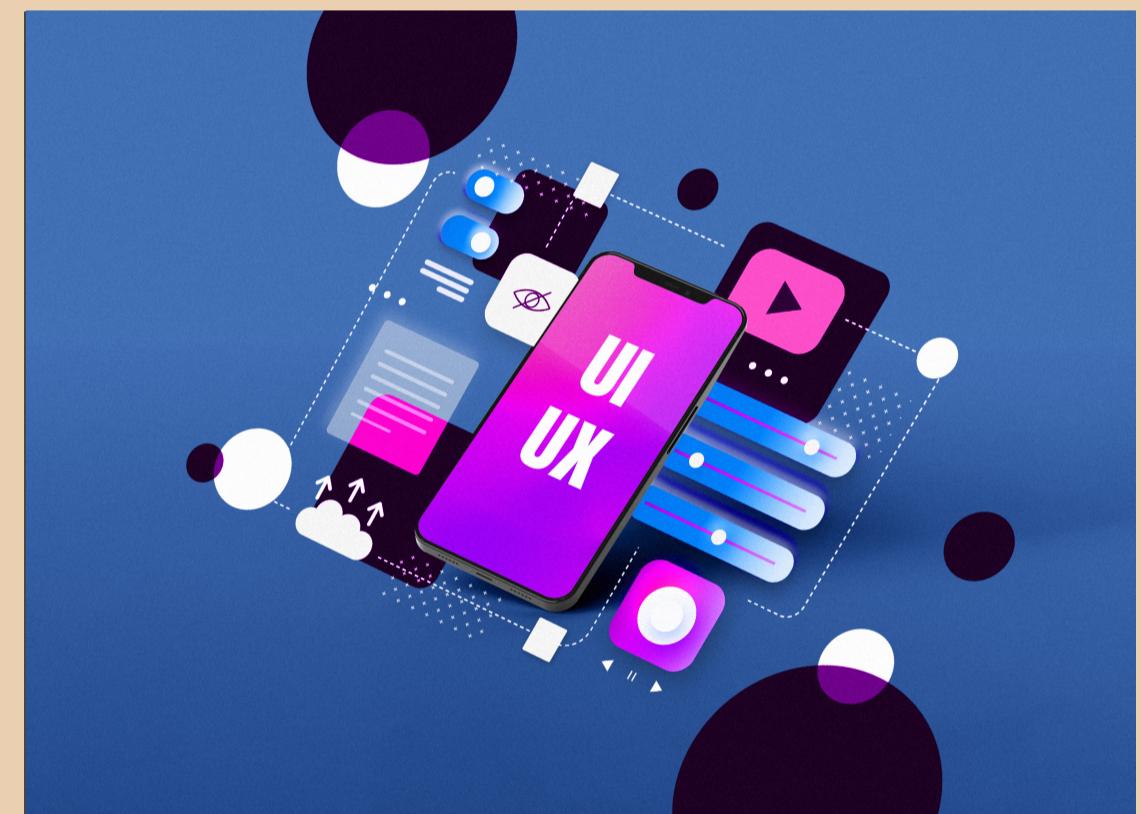

### Photography

Capture moments with precision and artistry, telling compelling stories through stunning visuals.

### Web Design

Craft captivating websites that engage visitors and drive conversions seamlessly.

### UX Design

Enhance user satisfaction with intuitive digital interfaces that drive engagement and conversions.

## Let's Connect

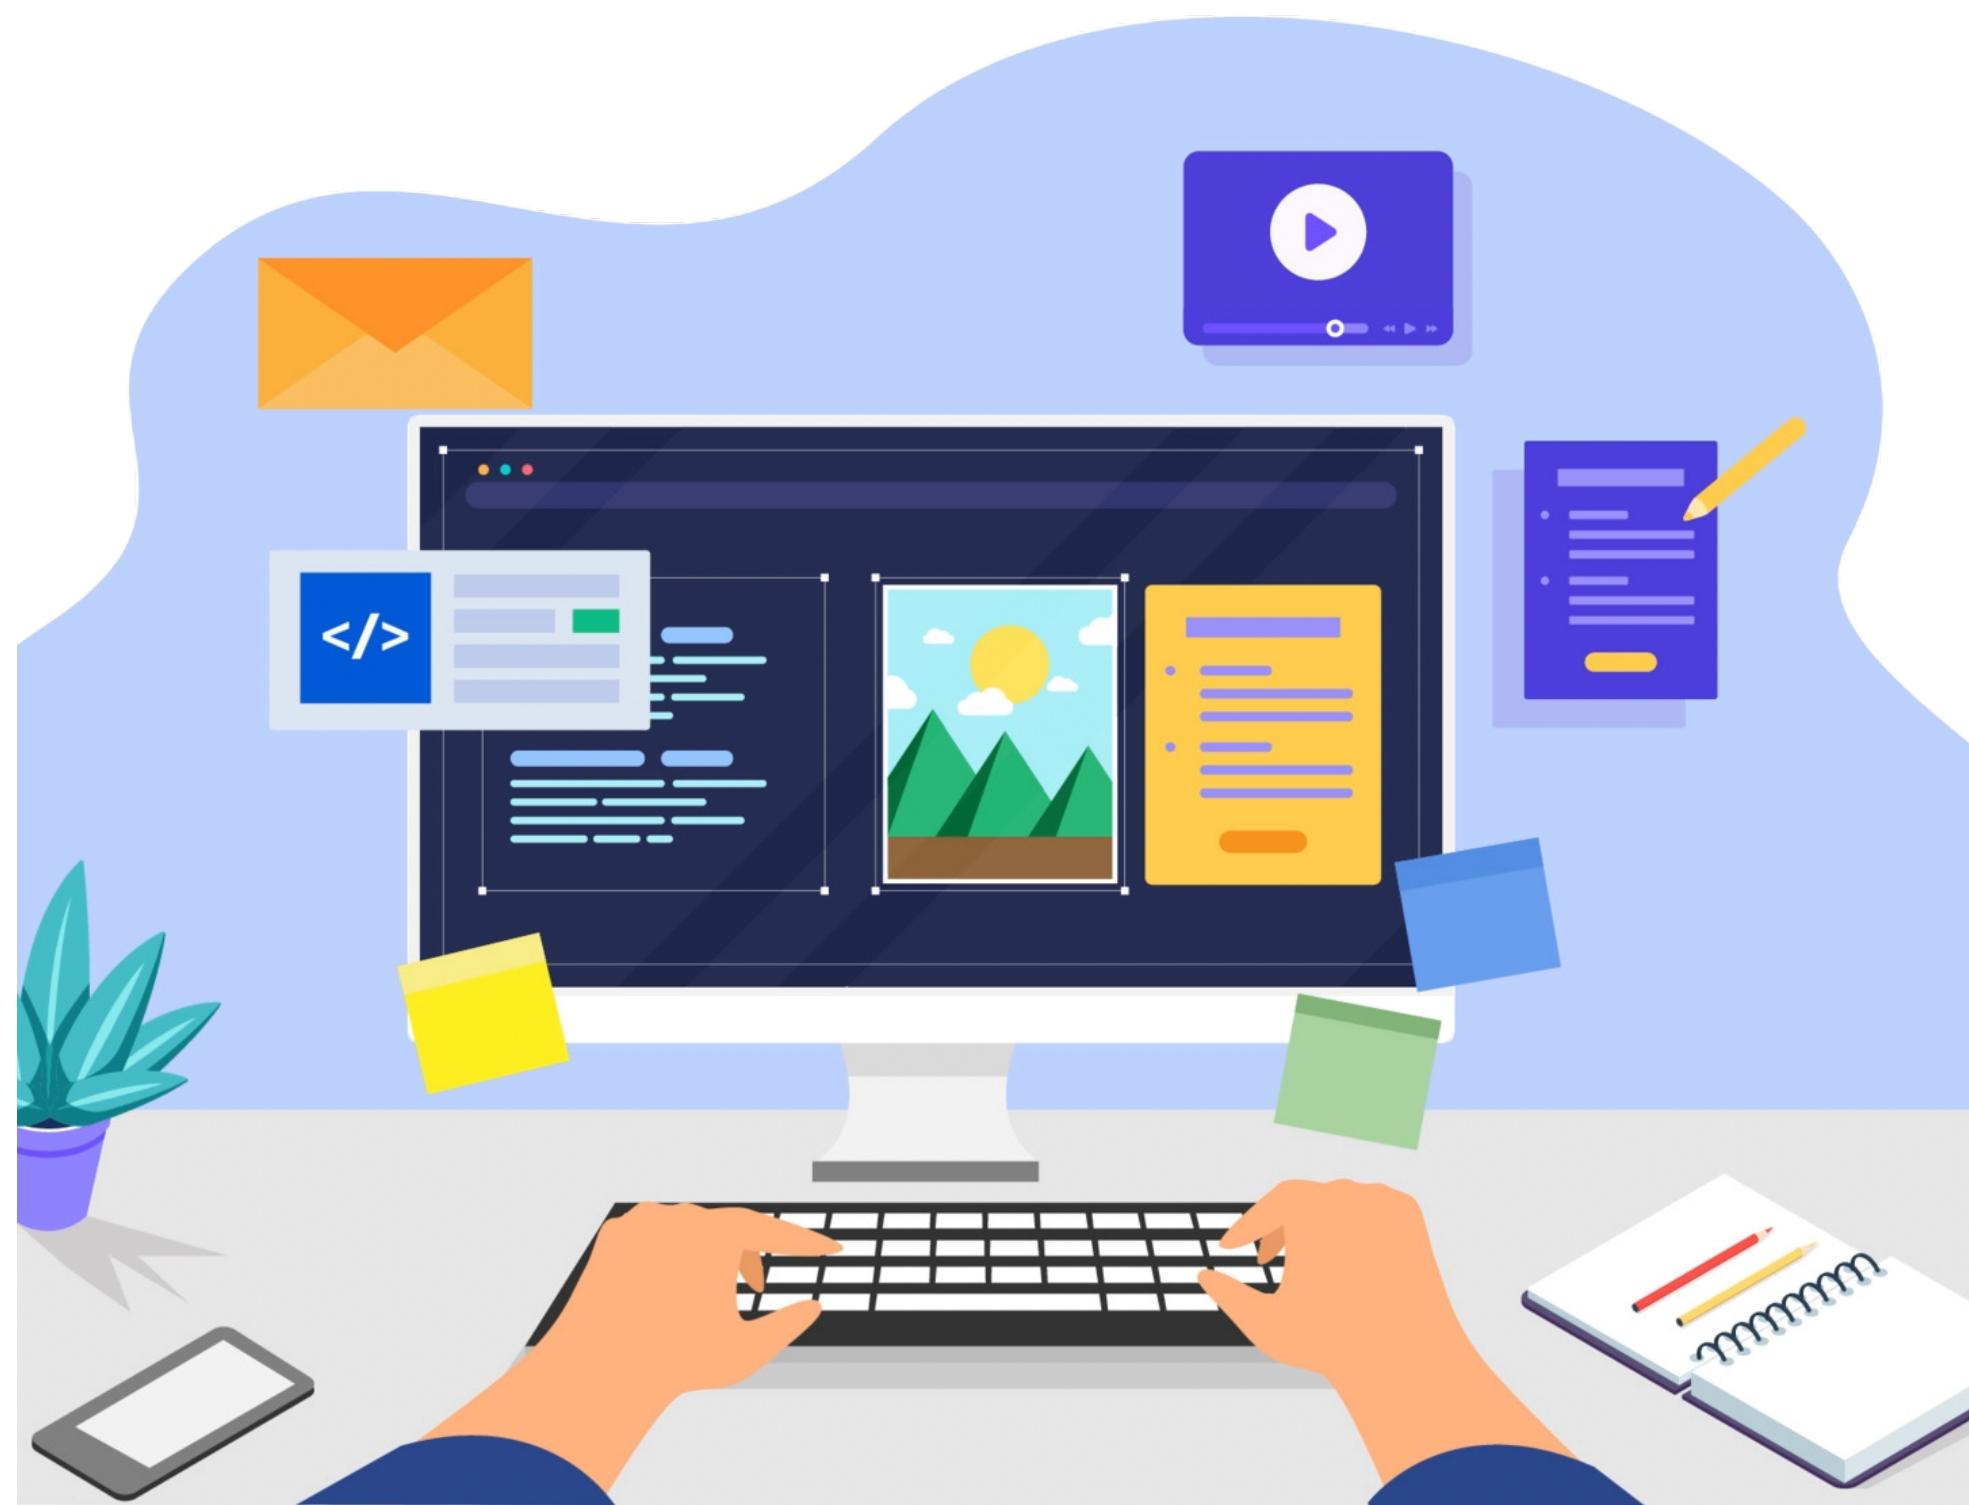

Thank you for taking the time to view my portfolio. If you have any inquiries, collaboration proposals, or just want to say hello, please feel free to get in touch. I'm always excited to connect with fellow professionals, potential clients, or anyone passionate about the projects I undertake.

## About me

Hey there! I'm Maede - a passionate individual deeply immersed in the realms of UX design, web development, and photography. My journey in these fields began with a spark of curiosity that has since evolved into a relentless pursuit of excellence. With every project, I strive to merge creativity with functionality, whether it's crafting intuitive interfaces, architecting seamless websites, or freezing moments in time through my photography. My portfolio serves as a testament to my dedication and experience in these areas, offering a comprehensive showcase of my skills and the diverse range of projects I've undertaken. Thank you for taking the time to explore my work - I'm excited to connect and collaborate on something truly extraordinary!

## Skills

- Proficient in front-end web development technologies including HTML5 and CSS3, adept at creating visually appealing and responsive designs.
- Experienced in using Figma for designing user interfaces and prototypes, ensuring seamless user experiences across digital platforms.
- Skilled in Microsoft Office suite, proficient in creating and editing documents, presentations, and spreadsheets for effective communication and organization.
- Proficient in Adobe Suite, including Illustrator for vector graphics, Photoshop for image editing, Premiere for video editing, and InDesign for layout design, enabling comprehensive content creation and multimedia production.

## Let's Start a Project Together
